

R e g i s t e r.

Die lateinische Zahl bezeichnet die Abtheilung, die deutsche Zahl zeigt die Nummer der Artikel an.

I. Register der naturhistorisch-systematischen Namen.

- A**bsynthium vulgare I, 1.
 Achillea Millefolium I, 166.
 — nobilis I, 167.
 Acipenser stellatus I, 130.
 — Sturio ebendasselbst.
 Aconitum Cammarum I, 5.
 — Napellus I, 5.
 — Neomontanum I, 5.
 Acorus Calamus I, 44.
 Alcea rosea I, 153.
 Allium Cepa I, 64.
 — sativum I, 8.
 Aloe perfoliata I, 9.
 — spicata I, 9.
 Althaea officinalis I, 10.
 Alumen commune I, 11.
 Ambra ambrosiaca I, 12.
 Amomum Cardamomum I, 51.
 — Zingiber I, 270.
 Amygdalus communis I, 13.
 Amyris Elemifera I, 204.
 Anemone pratensis I, 199.
 Anerthum Foeniculum I, 104.
 Anthemis nobilis I, 70.

- Anthemis Pyrethrum I, 200.
Apis mellifica I, 65.
Arbutus uva ursi I, 268.
Aretium Lappa I, 33.
Argilla Bolus I, 39.
Aristolochia Serpentina I, 235.
Arnica montana I, 20.
Artemisia Absinthium I, 1.
— contra I, 74.
— iudaica ebendaselbst.
— Santonica ebendaselbst.
Asarum europaeum I, 23.
Astragalus creticus I, 120.
— Tragacantha I, 120.
Atropa Belladonna I, 34.
Avena sativa I, 25.
Berberis vulgaris I, 35.
Betula alba I, 36.
Bitumen Asphaltum I, 24.
— Petroleum I, 130.
Boletus igniarius I, 38.
Bryonia alba I, 41.
— dioica ebendaselbst.
Rubon Galbanum I, 205.
Calamus Rotang I, 225.
Cambogia Gutta I, 119.
Cancer Astacus I, 138.
Canella Zeylonica I, 76.
Cannabis sativa I, 47.
Caoutchoua elastica I, 49.
Carex Arenaria I, 54.
Carum Carvi I, 56.
Caryophyllus aromaticus I, 58.
Cassia fistula I, 60.
— Senna I, 234.
Castor Fiber I, 61.
Centaurea benedicta I, 52.
Cervus Elaphus I, 85.

- Chelidonium majus I, 72.
Citrus aurantium I, 26.
— medica I, 77.
Cinchona officinalis I, 86.
Clematis erecta I, 102.
Cochlearia Armoracia I, 19.
— officinalis I, 78.
Conserva Helminthochortos I, 122.
Conium maculatum, I, 73.
Convolvulus Jalappa I, 129.
— Scammonea I, 230.
Copaifera officinalis I, 31.
Coriandrum sativum I, 84.
Crocus sativus autumnalis I, 87.
Croton Cascarilla I, 59.
— lacciferum I, 206.
Cucumis Colocynthis I, 80.
— sativus I, 88.
Cycas circinalis I, 218.
Cynips quercus I, 110.
Daphne Laureola I, 205.
— Mezereum I, 165.
Datura Stramonium I, 91.
Daucus Carota I, 92.
Dictamnus albus I, 93.
Digitalis purpurea I, 94.
Dorstenia Houstoni I, 83.
Epidendron Vanilla I, 261.
Euphorbia officinarum I, 97.
Ferula Asa foetida I, 22.
Ficus Carica I, 55.
Formica rufa I, 106.
Fraxinus Ornus I, 155.
Fucus Helminthochortos I, 122.
— Lemithochortos ebendaselbst.
Fumaria officinalis I, 108.
Gentiana Centaurea I, 63.
— lutea I, 111.

- Geum urbanum* I, 57.
Glycyrrhiza echinata I, 145.
 — *glabra ebendasselbst.*
Gratiola officinalis I, 114.
Guaiaacum officinale I, 115.
Helleborus niger I, 121.
Hordeum distichum I, 124.
Hyoscyamus niger I, 125.
Hypericum quadrangulum I, 126.
Hysopus officinalis I, 127.
Illicium anisatum I, 116.
Imperatoria Ostrutium I, 131.
Inula Helenium I, 96.
Iuglans regia I, 133.
Iuniperus communis I, 134.
 — *Sabina* I, 216.
Lactuca virosa I, 136.
Laurus Camphora I, 46.
 — *Cassia* I, 103.
 — *Cinnamomum* I, 76.
 — *nobilis* I, 142.
 — *Sassafras* I, 229.
Lavendula Spica I, 140.
Leontodon Taraxacum I, 254.
Lepidium Sativum I, 173.
Lichen islandicus I, 143.
Linum usitatissimum I, 144.
Lobelia syphilitica I, 147.
Lycopodium clavatum I, 148.
Malva rotundifolia I, 154.
Maranta Galanga I, 109.
Marrubium vulgare I, 156.
Matricaria Chamomilla I, 71.
 — *Parthenium* I, 158.
Melaleuca Leucadendron I, 179.
Melissa officinalis I, 161.
Meloe vesicatorius I, 48.
Mentha crispa I, 162.

- Mentha piperita* I, 163.
 — *Pulegium* I, 198.
Menyanthes trifoliata I, 259.
Mercurius vivus I, 164.
Metroxylon Sagu I, 218.
Mimosa Cate I, 62.
 — *Nilotica* I, 118.
 — *Senegal ebendasselbst.*
Moschus moschiferus I, 170.
Myristica moschata I, 150.
 — *officinalis* I, 176.
Myroxylon peruiferum I, 32.
Nicotiana Tabacum I, 174.
Olea europaea I, 178.
Oniscus Asellus I, 168.
Onopordon Acanthium I, 53.
Orchis mascula I, 222.
 — *Morio ebendasselbst.*
Origanum creticum I, 182.
 — *Majorana* I, 151.
Oryza sativa I, 183.
Ostrea edulis I, 82.
Oxalis acetosella I, 3.
 — *corniculata* I, 3.
Papaver Rhoeas I, 186.
 — *somniferum* I, 185.
 — — *orientale* I, 187.
Phellandrium aquaticum I, 189.
Physeter Macrocephalos I, 243.
Pimpinella Anisum I, 15.
 — *saxifraga* I, 190.
Pinus abies I, 192.
 — *balsamea* I, 30.
 — *larix* I, 7, 256.
 — *picea* I, 193.
 — *silvestris* I, 79, 192, 193.
Piper nigrum I, 191.
Pistacia Lentiscus I, 207.

- Polygala amara* I, 194.
Polygonum Bistorta I, 37.
Polypodium Filix mas I, 101.
Polypodium vulgare I, 195.
Populus balsamifera I, 196.
Prunus avium I, 67.
— *Cerasus* I, 66.
— *domestica* I, 197.
— *Laurocerasus* I, 141.
Psorallea pentaphylla I, 83.
Psychotria emetica I, 132.
Pterocarpus Draco I, 225.
Pulsatilla nigricans I, 199.
Punica Granatum I, 113.
Pyrites nativus I, 251.
Pyrus Cydonia I, 90.
Quassia amara I, 201.
— *Simaruba* I, 239.
Quercus Cerris I, 110.
— *robur* I, 202.
Rheum compactum I, 208.
— *palmatum ebendafelbst.*
— *Rhabarbarum ebendafelbst.*
Ribes nigrum I, 209.
— *rubrum* I, 210.
Rosa centifolia I, 211.
— *Damascena ebendafelbst.*
— *Gallica ebendafelbst.*
Rosmarinus officinalis I, 212.
Rubia tinctorum I, 213.
Rubus idaeus I, 214.
Rumex acerosa I, 2.
— *acutus* I, 137.
— *scutatus* I, 2.
Ruta graveolens I, 215.
Saccharum officinale I, 217.
Salsola Kali I, 241.
Salvia officinalis I, 223.

- Sambucus nigra* I, 224.
Saponaria officinalis I, 228.
Scandix cerefolium I, 69.
Scilla maritima I, 247.
Sedum acre I, 232.
Sinapis nigra I, 240.
Sisymbrium Nasturtium I, 172.
Solanum Dulcamara I, 95.
Spongia officinalis I, 246.
Spigelia anthelmia I, 244.
Strychnus Nux vomica L., 177.
Styrax Benzoin I, 203.
— *officinalis* I, 249.
Succinum electricum I, 250.
Tamarindus indica I, 252.
Tanacetum vulgare I, 253.
Teucrium marum I, 157.
— *Scordium* I, 231.
Theobroma Cacao I, 43.
Thymus Serpyllum, I, 236.
— *vulgaris* I, 257.
Tormentilla erecta I, 258.
Trifolium Melilotus officinalis I, 160.
Trigonella Foenum graecum I, 105.
Triticum hibernum I, 14.
— *repens* I, 112.
Tussilago Farfara I, 98.
Valeriana officinalis I, 260.
Veratrum Sabadilla I, 233.
Verbascum Thapsus I, 262.
Viola tricolor I, 128.
Vitis aepyrena I, 188.
— *vinifera* I, 187, 263.
Vrtica pillulifera I, 267.
Zincum terrestre I, 139.
