

Table des noms de lieux, châteaux, seigneuries (XIII^e-XIV^e siècle) et fiefs cités dans le précédent recueil.

Ont été groupés, dans cette table, par-ci, par-là, en un seul et même article, des noms appartenant à des lieux différents.

En ce qui concerne l'ordre alphabétique observé dans cette table, nous renvoyons aux **Observations importantes**, T. I, p. 27.

X

Xanten,

voir Ende.

Nous remercions bien vivement le Rév. M. Jacques Anspach, pasteur, à Bergeik (Brabant Sept.), du précieux concours qu'il a bien voulu nous prêter lors de la confection de cette table onomastique, ainsi que de celle du Supplément.
