LIBRARY
1855
CHICAGO, ILL.

Index

1. The first part of the book is devoted to a general survey of the history of the United States from the discovery of the continent to the present time. It is divided into three main periods: the colonial period, the revolutionary period, and the federal period. The colonial period is further divided into the Dutch, French, and English colonies. The revolutionary period is divided into the struggle for independence and the establishment of the new government. The federal period is divided into the early years of the republic and the present time.

2. The second part of the book is devoted to a detailed history of the United States from the discovery of the continent to the present time. It is divided into three main periods: the colonial period, the revolutionary period, and the federal period. The colonial period is further divided into the Dutch, French, and English colonies. The revolutionary period is divided into the struggle for independence and the establishment of the new government. The federal period is divided into the early years of the republic and the present time.
